

The PCRP meeting honors your cultural values and preferences

Individual Decision-Making

- Focuses on personal agenda
- Values autonomy, self-determination, and independence
- Values partnering “as equals”
- Expects meetings to “get down to business”

Collective Decision-Making

- Focuses on collective agenda
- Values family and community involvement
- Defers to family members or others in making decisions
- Values hierarchy
- Expects meetings to “build personal relationships”
